- So Very Vellum Specialty Designer Series Paper – 4-1/4" x 5-1/2" panel
- Champagne Foil Sheets – Parisian die cut

### Instructions for the project:

1. Adhere the 4-1/4" x 5-1/2" panel of So Very Vellum Specialty DSP (Sale-a-bration item available March 3) to the front of the Pool Party card base with SNAIL. Take care to only apply adhesive toward the center of the card base.
2. Stamp the large flower image from the *Forever Blossoms* stamp set in VersaMark ink on the 3-5/8" x 4-7/8" panel of Pool Party card stock.
3. Stamp the single flower image from the Forever Blossoms stamp set in VersaMark ink in the lower right corner of the Pool Party card stock panel.
4. Sprinkle the images with White Stampin' Emboss Powder and then heat embossed. Allow the images to cool completely before proceeding.
5. Use a Sponge Brayer to roll Pool Party ink over the embossed images on lower right area of the Pool Party card stock panel. It will require several reinkings to achieve the shadow look.
6. Color the stamped flower images with a Pool Party Stampin' Write Marker.
7. Wipe the excess ink from the embossed images with a soft cloth.
8. Adhere the stamped panel to a panel of Whisper White card stock with SNAIL.
9. Adhere the layered panel to the card front with Stampin' Dimensionals.
10. Cut a panel of Champagne Foil Sheets with sentiment from the Parisian Dies.
11. Adhere the die cut with Multipurpose Liquid Glue to the card front.

12. Adhere three Pearl Basic Jewels near the sentiment.

13. Stamp the large flower image from the Forever Blossoms stamp set in Pool Party ink on the 4" x 5-1/4" panel of Whisper White card stock.

14. Adhere the stamped panel inside the card base with SNAIL.
