## Instructions for this project:

1. Adhere the 4-1/4" x 5-1/2" panel from the Berry Delightful DSP (Sale-a-bration item) to the front of a Pacific Point card base with Multipurpose Liquid Glue.
2. Cut two panels of the Oh So Ombre 6" x 6" DSP (Sale-a-bration item) at 1-3/4", making sure that they are lined up the same way so that you will end up with two identical panels of DSP.
3. Trim both panels down to 4-1/4" in length, again making sure that they are trimmed the same way so that you will end up with two identical DSP panels.
4. Adhere one strip of Oh So Ombre DSP to the front of the card with Stampin' Seal so that it is centered from top to bottom.
5. Cut another panel of Berry Delightful DSP with the third largest rectangle from the Stitched Rectangle Dies.
6. Adhere the die cut rectangle to the panel of Balmy Blue card stock panel with Stampin' Seal.
7. Adhere the layered panel to the front of the card with Stampin' Dimensionals.
8. Use the same Stitched Rectangle die to cut the center from the remaining panel of Oh So Ombre DSP.
9. Stamp the sentiment from the **Berry Blessings** photopolymer stamp set (Sale-a-bration item) in Pacific Point ink on the DSP panel.
10. Stamp the blueberry images from the Berry Blessings stamp set in Balmy Blue ink on the DSP panel.
11. Adhere the stamped panel over the top layer on the card front with Stampin' Seal, making sure that the panel lines up with the Oh So Ombre panel already adhered to the card front.
12. Adhere a Rhinestone Basic Jewel next to the sentiment.

13. Adhere the 1/2" x 4" strip of Berry Blessings DSP to the 4" x 5-1/4" Basic White card stock panel with Stampin' Seal.
